The Belles Letters Review

«The Belles Letters Review is a magazine about fiction, writers and the stories that define our times. It is a chronicle of contemporary literary imagination, bringing together short fiction, silent stories and serialised novels from writers around the world. »

DAPHNE DUVALL, EDITOR

About the magazine

The Belles Letters Review is a new literary magazine based in London, UK, launching in January 2027.

Member of CLMP (Community of Literary Magazines and Presses).

Publishes literary fiction and essays for an international readership.

The annual Short Story Prize is open worldwide.

Digital subscription and Founding Partner packages are available for the launch year.

Audience statistics are shared with advertising partners at the start of each campaign, and a campaign report (page views and clicks) is provided at the end.

Why advertise

Aimed at readers and writers of literary fiction in the UK and worldwide.

Editorial programme developed with writers and rights holders internationally.

Sponsored content is clearly labelled and sits alongside our editorial pages.

Category exclusivity available for Founding Partners. Extended category exclusivity is available by separate agreement and quoted individually.

The Belles Letters Review
